

2012 Travel Soccer Tryouts & Player Assessments Travel Evaluation Exception Form

- Players are expected to make every effort to attend all sessions as posted for their age group in order to be fairly and appropriately placed on a travel team. One age group tryout session is considered the minimum requirement.
- Players that are injured or are absolutely unable to attend any sessions, must do the following:
 - Complete the online registration process and note "Absent from Tryouts" in the comment field.
 - Complete a PSA Travel Evaluation Exception Form and submit it to the PSA Office no later than one week prior to the scheduled first tryout/assessment date.
 - **Please Note:** Failure to attend the minimum requirement of sessions may affect a players team placement. Coaches evaluations from the previous season may be used in the event of no available tryout/assessment data.
